

DESCRIPTION

- No petroleum solvents, non-flammable.
- Biodegradable, non-toxic, wastewater will split into an oil/water phase.
- Fresh smell.
- Strong degreasing properties when diluted.
- Leaves no film residues on cleaned surfaces.
- Suitable on most common metals and coatings.
- Suitable for use with oil-water separators.

APPLICATIONS

GP ENVIRO is used for engine rooms, decks, bulkheads and accommodation.

DIRECTIONS FOR USE

FOR HEAVY CONTAMINATION

GP ENVIRO is applied by spray undiluted and left for 20-60 minutes. It must then be hosed off with a powerful waterjet, whilst brushing the surfaces.

GENERAL CLEANING

GP ENVIRO can be diluted to a 2% solution in water for light cleaning. It must be allowed to soak for 1-15 minutes before rinsing with a waterjet. Using water at a temperature of 20°C up to 60°C for dilution and rinsing increases the effectiveness of the product.

NATURE OF SPECIAL RISKS AND SAFETY ADVICE

In accordance with the latest EEC Council directives this product is not subjected to any recommendation. Voluntary Vecom recommendation:

- S2 : Keep out of reach of children
S24/25 : Avoid contact with skin and eyes

No. 9/2
