

APPLICATIONS

HAND CLEANER GREEN is a gel cleaner containing natural ingredients and an active antiseptic. Because it contains lanolin it keeps the skin supple and soft. It is an ideal soap for removing the most severe industrial dirt, oil and grease, without irritating cuts or scratches. *HAND CLEANER GREEN* is 100% biodegradable and effectively removes varnish, ink, grease, oil, paints, glue and all unpleasant odors.

pH neutral, does not irritate the skin.

DIRECTIONS FOR USE

1. Do not wet hands or area to be cleaned before application.
2. Dip a small amount of *HAND CLEANER GREEN* onto hands and rub or massage thoroughly until all oil, grease and dirt is removed.
3. Wipe off with a piece of cleaning paper or cloth.
4. Rinse with water if desired.

STORAGE

Keep in cool dry place.

Also available: *HAND CLEANER LIQUID* (Waterbased Hand Cleaner)

No. 8/3
